

# ENVIRONMENTAL POLICY

Lil Fire Ltd is committed to conducting its business in a responsible manner that minimises environmental impact and supports the protection of the environment.

We recognise our responsibility to comply with all applicable environmental legislation, regulations, and other requirements relevant to our activities. Environmental considerations are integrated into our business planning, project delivery, and day to day operations.

The company is committed to preventing pollution, reducing waste, and using resources efficiently where reasonably practicable. We seek to minimise the environmental impact of our activities through responsible procurement, effective waste management, and the promotion of environmentally conscious working practices.

Lil Fire Ltd is committed to continual improvement of its environmental performance and to raising awareness among employees and contractors of their environmental responsibilities.

This policy is supported by appropriate procedures and arrangements and is reviewed regularly to ensure its continued suitability and effectiveness..

## Policy Approval

This Environmental Policy Statement is approved and authorised by the Chief Executive Officer of Lil Fire Ltd.

A handwritten signature in black ink, appearing to read "Andy Lilly".
